25X1

In April 1953, [] determined that a military supply depot was established in Goerlitz in the principal warehouse of the former purchasing association "Alter Goerlitzer" which, after 1945, was taken over by the consumers' association.

25X1

Local residents referred to the depot on Hanschwalder Strasse as the air force supply depot. A spur track extended to the depot. The houses at the depot were occupied by V officers.

[] Comment. According to a previous report, a VPL supply depot was planned to be established in Goerlitz. [] has not been determined whether the central VPL supply depot from Berlin-Johannisthal is concerned. According to unconfirmed reports, the VPL headquarters from Berlin-Johannisthal is to be transferred. In this connection it is believed possible that the central supply depot will also be moved.
